

Dear friends,

At the heart of Saint Theresa School is the loving formation of every child entrusted to its care. Saint Theresa's strives to give equitable access to parents seeking a Catholic classical education, which all too often is financially out of reach. The generous support from friends like you is crucial to our efforts. **Please help us reach our target of \$75,000 by making a donation to our annual fund!**

**Saint Theresa's helps students become the best version of themselves by:**

- Offering a vibrant liturgical life (weekly Masses, Adoration, Confession & more)
- Not separating virtue from intellect, a Dominican virtue program is integrated
- Using a multisensory approach to reading, spelling, phonics & handwriting
- Providing the foundation to read the great books - 49 studied by graduation
- Mastering mathematical skills needed for real life situations
- Gaining a deep knowledge of Grammar
- Knowing where we came from through an appreciation of History
- Learning Latin, the language of the Church

One would be hard pressed to find a Christ-centered school community that receives more support from their parish, pastor and priests. Devoted, seasoned teachers promote a wholesome, joyful environment allowing students to flourish without the dependence on technology. Rather, focus and retention is on the written word through the study of the classics. This curriculum equips students with the ability to think and learn for themselves and to defend what is true, good, and beautiful.

**Saint Theresa has much to celebrate:**

- 1st diocesan classical elementary school in Connecticut
- 23% Increase of enrolled students; 230 students for 2022 and growing
- 85% faculty retention rate
- 60% students receiving aid
- 19 cities/towns our students hail from

**Thank you for considering Saint Theresa's in your charitable giving plan this year.**

Know of our prayers for you and your family during this Advent season.

Pax Christi,

Barbara Logsdail, Principal
