

We are delighted to offer
individual piano or singing lessons
for St Theresa students from September 2024.

*Learning an instrument is an academic and creative skill that is both **enjoyable and rewarding**. It can also improve a student's coordination, focus, memory, and confidence.*

Lessons will be:

- taught by Ava Wing or Alex Hodgkinson;
- on a fixed day every week, after school;
- 30-minutes per student;
- \$35 per lesson.

In the future, we hope to expand this to other instruments too.
